Discover this beautiful penthouse flat situated in an exclusive residential complex, where you can enjoy peace and quiet, natural light and panoramic views of the Mediterranean Sea, the mountains and Altea. The property features a spacious entrance hall with fitted wardrobes leading into a light-filled living-dining room with high ceilings, creating a pleasant sense of space and elegance. The kitchen, which is semi-open to the living room, offers a practical and functional layout. The flat has two bedrooms. The master bedroom features an en-suite bathroom, fitted wardrobes and direct access to the terrace, allowing you to enjoy the views and the fresh air from the comfort of your bedroom. The second bedroom is complemented by a separate bathroom with a shower. One of the great attractions of this property is its 22 m² terrace, an ideal space for relaxing, sunbathing, enjoying al fresco dining and taking in the beautiful views of the sea, the mountains and the charming surroundings of Altea. The residential complex offers excellent communal areas, including a beautiful communal swimming pool, a multi-purpose hall and a fitness room – perfect for enjoying leisure and wellness without leaving home. Key features include central heating, hot and cold air conditioning, a parking space and a storage room, providing comfort all year round. Its location is another of its strengths: within walking distance of Altea la Vella, with its amenities, shops and Mediterranean atmosphere. An ideal property as a main residence, second home or investment,
